

## **WEEKEND WARRIOR WANTED FOR REEVES MEADOW VISITOR CENTER in Harriman State Park**

Must be friendly, courteous, responsible, and reliable. Besides sharing your knowledge of hiking, trails, and the Park, your duties will include selling/restocking merchandise (using a pencil and calculator!) and maintaining the restrooms and sales floor. A breathing encyclopedia of PIPC and the outdoors with retail experience is preferred, but I will train an eager disciple who is willing to work most Saturdays and Sundays, 8:30 AM to 5:30 PM (except when it rains), from now until Thanksgiving. It's a part-time position so there are no benefits other than your own parking space at the most popular lot in Harriman, a fantastic boss, great co-workers, and a bi-weekly paycheck. If interested or if you have questions, please email [Jeanne.Ross@parks.ny.gov](mailto:Jeanne.Ross@parks.ny.gov) or come see me at Reeves this weekend.
